Work Experience

SpotMe Fitness UI/UX Designer Intern (New York City, NY) June-Sept 2013

- Collaborated to create company brand and design guidelines.
- Designed mobile application for employees to register health benefit activities.
- Generated sales leads and marketing content such as sales books, consumer websites and blog posts.
- Discussed company strategy for growth and future iterations of product.

Northwestern University (NUX) Mobile/Web Developer (Evanston, IL) 2012~

- Designed mobile applications and website through mockups and iterations using client feedback.
- Implemented website designs using Drupal, HTML/CSS and javascript.
- Created backend scripts to check server status and other maintenance functions.

Gemalto iOS Programmer Intern (Meudon Office, France) June-July 2011

- Designed and coded the user interface and profile management system in Objective-C for an iPhone app that would decrypt SMIME e-mail attachments, using profiles and certificates.

Project Experience

SpotMe Branding July-Sept 2013

- Collaborated with another intern to create the company's brand and logo.
- Created a brand book to provide guidelines for color schemes, typography, copy and icons.
- Implemented brand guidelines to create marketing tools (sales books, website) and design products (mobile applications)

NU Signals App at NUX January 2013~

- Worked with a team of programmers to develop an app for students to report bad signal.
- Constructed UI workflows and wireframes for user experience. Designed various graphics for UI elements.
- Communicated and implemented my designs with developers and iterated them to fit within constraints.

Design Thinking and Communications Design Project September 2012-December 2012

- Worked in partnership with Segal Design Institute and Rehabilitation Institute of Chicago.
- Collaborated with a team of students to design exercise equipment for stroke survivors with hemiparesis.
- Participated in team meetings and reviews. Performed user observation and testing, and constructed device.
